

ValueLink – Screen Event, London Stock Exchange – 17th April 2007

Valuelink attended the first Screen Event in the UK on the 17th April 2007. Set at the prestigious London Stock Exchange, the day proved to be a good experience for all involved.

With Ashley Smith, Christina Horton, Nigel Winter and Andrew Elliott all in attendance there was plenty of discussion with other exhibitors and attendees alike.

Ashley also presented, his subject was "OTC Data – collections and reports, tailored to client requirements.

OTC being the main focus of this particular event, given our recent success with BNP Paribas.

If you would like a copy of the presentation or would like to contact Ashley, his contact details are at the bottom or simply email him on
